SUBJECT: CC Docket Nos. 00-218, 00-249, and 00-251

TO: Ms. Marlene Dortch
445 12th St., S.W., Room TWB-204
Washington, D.C. 20554

Please place this memorandum and the attached documents in the record in CC Docket Nos. 00-218, 00-249, and 00-251.

The attached documents are **Verizon's Exhibits 32 through 82** and are marked accordingly. We do **not** attach copies of Verizon's Exhibits 1 through 31 because those documents are pre-filed testimony already found in the record and are voluminous. We have also included Verizon's exhibit list.

Additionally, "Verizon Virginia Inc.'s Corrections to WorldCom's Late-Filed Exhibit 52: Responses to Record Requests" should be docketed as **Verizon Exhibit 83** and "Verizon Virginia Inc.'s Objections to AT&T Response to Record Requests from the 10/04/01 Transcript of the FCC-VA Arbitration Proceeding" should be docketed as **Verizon Exhibit 84**. These documents are also attached. Finally, Verizon Exhibit 37 is proprietary and will be provided under a separate cover memorandum. A redacted version of this exhibit has been provided herein.

If you require further information, please contact me at (202) 418-1593. Thank you for your assistance. An original and two copies are provided.
