Re: WC Docket No. 02-150

Dear Ms Dortch:

This is to inform you that on July 29, 2002, Ernest Bush, Ken Ainsworth and I, all BellSouth employees, met with the following Commission staff: Denise Coca; Greg Cooke; Aaron Goldberger; Heidi Kroll; Bill Kehoe; Steve Rangel; Ceci Seppings, Pam Slipakoff; and Gina Spade. The meeting was held to respond to staff questions concerning provisioning and billing issues. Among the issues discussed were provisioning of UCL-ND loops, provisioning and billing for line sharing, methods and procedures governing BellSouth's provisioning of high capacity digital loops, and past, present and future processes for removing any DSL USOC that might appear on the customer service record of an end user wishing to migrate from BellSouth to another carrier for local service.

In accordance with Section 1.1206, I am filing two copies of this and request that you place it in the record of the proceeding identified above. Thank you.

Sincerely,

Kathleen B. Levitz
