FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Attention: Common Carrier Bureau

The accompanying material is being submitted on behalf of the Sprint local telephone companies (Sprint LTC), and is sent to you for filing in compliance with the requirements of the Federal Communications Commission's Second Report and Order and Memorandum Opinion and Order, *In the Matter of Implementation of the Local Competition Provisions of the Telecommunications Act of 1996*, CC Docket No. 96-98, released August 8, 1996 (FCC 96-333).

This submission includes notification of network changes proposed by Sprint LTC and scheduled to become effective on the dates indicated herein. Since certain of the proposed changes are being implemented on less than six months notice, telephone exchange service providers directly interconnecting with Sprint LTC's network were notified of the proposed changes at least five business days prior to this filing with the Commission. In this regard, a certificate of service identifying the service providers notified is included as required by Section 51.333 of the Commission's Rules.

Acknowledgment and date of receipt of this submission is requested. A duplicate copy of the letter is provided for this purpose. In addition, one paper copy and one diskette copy of the proposed network changes have been provided to the Chief, Network Services Division, Common Carrier Bureau.

All correspondence and inquiries in connection with this information should be addressed to Mr. Pete Sywenki, Director - Federal Regulatory Relations, for Sprint's Local Telecommunications Division, 401 9th Street, N.W., Suite 400, Washington, D.C. 20004, (202) 585-1921.
