Dear Secretary Dortch:

Re: Application of Qwest Communications International Inc. WC Docket No. 02-148

This letter is in response to Covad's assertion that it filed a Third Petition for Rehearing, Reargument, or Reconsideration in Colorado Public Utilities Commission (COPUC) Docket No. 99A-577T, the Colorado wholesale pricing proceeding.

On July 29, 2002, Covad filed reply comments in WC Docket No. 02-148. In footnote 5 (page 4), Covad asserts that it filed with the COPUC in Docket No. 99A-577T its Third Petition for Rehearing, Reargument, or Reconsideration on the HFPL recurring rate issue. This assertion is mistaken, and the COPUC submits this letter to correct the record. COPUC has no such filing in its records. The 20-day period for filing applications for rehearing, reargument, or reconsideration (*see* § 40-16-114, C.R.S.) to COPUC Decision No. C02-636 expired on June 26, 2002. In fact, no applications for rehearing, reargument, or reconsideration were filed to that decision. Therefore, COPUC's decision in Docket No 99A-577T is final--there are no pending applications for rehearing, reargument, or reconsideration.

Very truly yours,
