Dear Chairman Powell:

I want to show support of the Dish TV! I really like the programs but am unhappy with the local stations as we cannot get them. I really hope you can look into this matter and give us the choice as to whether we can get them. My family has actually thought of going to local cable tv, then we thought of getting a regular antenna. Only because we wanted to receive local stations. So please try and open our little community up. There is several neighbors that would probably go to Dish TV but won't only because they won't receive local stations. My family is thinking of canceling because of the same reasons. I really hope it won't come down to this. Thank You!!!!

Sincerely,

Violet Adams
