Dear Chairman Powell:

hi this is alex hamilton i live about seven miles away from new london wisconsin. being seven miles away from new london i cant get cable so i cant get cable internet. And there is no fiber-optic telephone lines so i cant get dsl. the only broadband service i can get is via satellite. i am already a dish subscriber and if dish gives me broadband i wont have to pay 400 dollars for intallation on other satellite isp's. so please let this merger happen for the good of rural america. i also dont get why it would be a monopoly when rca provides satellite tv.

Sincerely,

Alex hamilton
