

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission

Washington, D.C. 20554

Dear Chairman Powell:

I am eagerly waiting for approval of this merger so I can begin to receive the highest quality service that this joining of companies provide. I also bought a HDTV recently, and I can only salivate at the progress high-definition programming will make with this giant, but positive step in the business, and technological world. With the inevitable changes that must take place to make everything more compatible this hopefully will be worked out soon. Thank you.

Sincerely,
