

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Go ahead! Destroy free enterprise. Contribute to more fiascos like Worldcom, Adelphi, Enron and Global Crossing.

We all know now that Mega-mergers are great for covering up irresponsible accounting. We also know that you allowed this to happen.

Be aware though that the public is growing wiser and they will start to ask questions.

Sincerely,

Michael Hughes
