

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

As a current resident of Habersham County Georgia, we are required to subscribe to Pegasus Satallite services under the NRTC. Pegasus continues to increase the price for their programming package. Pegasus is currently charging us \$4.74 extra each month for the same programming we could obtain if we were allowed to receive DirectTV. We support the EchoStar - DirectTV merger in hopes that it will eliminate this inequity.

Thank you any support you can provide in allowing us a choice in satallite programming.
