

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Please help support the merger of these two great satellite TV companies. We need some competition with cable.

I have used satellite TV for the past six years, and I love it... while cable is bad in every respect. Cable costs more, and the quality is poor.

Please do what you can... this is an important step in allowing High Definition TV to survive. Thanks.

Sincerely,

Rob Bradley
