

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

We definitely need to have the proposed merger between the satellite systems. We have not been able to satisfactorily receive our local channels in Lexington KY for several years and the local channels will not authorize us to receive the networks via satellite - therefore we are unfairly being deprived of network TV.

Please help this merger become a reality.

Sincerely,

Gretchen Soards
