

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I'd appreciate some local channels, and broadband service. This POTS line I'm using is rather dreadful: the service is unreliable and expensive.

BUT. I have two (don't ask) TiVos with DirectTV. I know that they'll made the new equipment free, but what about TiVo? Please get one. It changes everything. If TiVo is killed, I won't care about the local channels.

Thank you.

Sincerely,

David A. Stephens
