

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Please do not allow this merger, I am currently a Dish network customer and they change there programing and the rates they charge at will!!!!

I pay for 100 channels that I will never watch to get the half dozen or so that I will watch, they keep adding more channels of crap and then charge me more for the service! I feel we as customers should have more of a choice on what we get instead of all this crap shoved down our throats!

I hope you vote NO to this merger !!

Thank you,
