

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I think this is a horrible idea. It will be a monopoly of the satellite TV business and will probably result in jacking of prices just because they can. I am very happy the way things are and I hope they stay just that way!

Sincerely,

Brandon Harris
