

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I ask that you do NOT support the Echostar/DirectTV merger. To allow these companies to merge will do nothing but create yet another media conglomerate and the consumer will be shafted in the end. This is especially true for rural customers where satellite TV is the only choice. Again, please do not support this merger

Sincerely,

Vernon Anderson
