

The Honorable Michael K. Powell
Chairman
Federal Communications Commission

Washington, D.C. 20554

Dear Chairman Powell:

I am writing as a viewer local cable television. I have found cable to have very limited choices, and be a nonchalant monopoly in my viewing area. Living in an apartment facing north limits me to only having cable as an option. My plea is for you to support this merger so that I may have a selection, and be able to receive Sky Angel on the echostar dish. I support this merger completely, knowing i will have an option to what I can view, as well as have local channels at the same time. May God Bless you.

Sincerely,

Ronald Deets Jr.
