

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

For years congress has allowed just one cable company to rule my town with an iron fist. No competition....ZERO! These days we have DISH, DirectTV, and we still have the local cable monopoly to choose from. Times are tough for both satellite cos right now and with them both losing money I'm afraid soon we are going to be stuck with just cable as a choice again. Please dont block the merger.

Sincerely,

Joshua Payne
