Dear Valued Customer,

We're pleased to announce that two telecommunications leaders -- WorldComSM and Intermedia Communications -- have merged networks and customer services. In the future, your service will be provided and invoiced by WorldCom. And now more than ever, WorldCom is committed to meeting your communication needs and welcoming you to the WorldComSM family. Our commitment to excellence is stronger now than ever before.

Recently, you received a billing notice from our subsidiary, MCI, advising that your residential long distance telephone service would be converted to MCI from your current long distance provider, Intermedia Communications. We apologize for any confusion, however this notice is to advise you that voice services currently provided you by Intermedia will be converted to WorldCom and not to MCI, as part of the merging of WorldCom and Intermedia networks and customer support.

Our goal is to ensure that you receive the highest level of service at the greatest value. The transition of your service and billing to WorldCom will occur on September 13, 2002 or shortly thereafter, with no action required on your part. Your service will not be affected during this transition, nor will your current rates, terms and conditions be affected. You will be provided written notice prior to any changes to those rates, terms and conditions in the future. As part of the transition, your account number and remittance address will change, and we will advise you of the new information on your first WorldCom invoice.

If you have any questions about your previous or new service, or this billing change, please don't hesitate to contact our Customer Service team at 1 800 250-9999.

Of course, you are under no obligation to use WorldCom service. Should you prefer an alternate carrier, we request that you contact that carrier well before September 13, 2002 to arrange for new service. We would like you to know, however, that we value your business and sincerely wish to keep you as a customer, and we look forward to serving you!

Sincerely,

Michelle Decker
Vice President, Customer Satisfaction & Service Operations
