

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am in favor of this merger and urge your support. By living in a wooded rural area, outlying area of Columbia, SC, our only choice for television is satellite. A standard antenna will not pick up local stations in my area.

During weather emergencies we have no access to local weather reports, therefore, no idea of what is going on around us. To me this is a hinderance and could be a potential life threat not being able to prepare for safety.

I urge you to support this merger.

Sincerely,

Carolyn Eadie
