

The Honorable Michael K. Powell  
Chairman

Dear Chairman Powell:

I would just like to voice my concern about the merger. I am a Dish network Retailer. I think from the info I have read It sounds like the customer will come out on the good side. Although the dealers from dish network will come out on the bad side. We could lose are way to make money. Meaning that they could stop paying us to sell satellite becace they know we will have no where else to go. I just hope that you take this into conceideration.

Sincerely,
