

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Dear Sir...I could not understand in the first place why Congress made it so we couldn't watch our local channels anyway. It makes no sense. I live right inside the city limits in Fayetteville,AR. I cannot pick up the local channels here. I have a Rabbit Ears. But all the local stations required me to have an outside antenna. I'am handicapped. I cannot install one.

Two of the four local channels, CBS, and Fox are in FT. Smith anyway. NBC and ABC are here in Fayetteville. I can't pick up any of the stations. Please, see fit to let us have our local channels by Sattelite. I can't afford the price of the 'Cox Cable'. Thanks, Sincerely,,,Herbert Neeland II

Sincerely,

Herbert Neeland
