

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am currently a Dish Network subscriber. Unfortunately, I fail to see the benefit of this merger. Since the merger, I can no longer view the Local Channel package that I pay for when I am traveling on vacation in my RV. Now if I want to view ANY Local broadcast (while traveling) I have to pay extra to get the Network Package (NY & LA). Just because I am traveling does NOT mean that I am not interested in what is happening where I live. If I am paying for the Local Channels, I should be allowed to view them no matter where I happen to be - so long as my Primary (Billing) Residence is within the viewing area for that Local Market. Thank you for your time.

Sincerely,

Stacy Baughman
