

The Honorable Michael K. Powell
Chairman
Federal Communications Commission

Dear Chairman Powell:

Please do NOT allow this merger to take place. I believe it will reduce competition and increase prices.

My own experiences have been horrible. They have made errors in my billing and dealing with their customer service dept. has been incredibly arduous and time consuming. I believe a merger will only reduce the quality of customer service even further.

Once again, please do NOT allow this merger.

Thank you.

I appreciate your consideration of my views.

Sincerely,
