

The Honorable Michael K. Powell
Chairman
Federal Communications Commission

Dear Chairman Powell:

As a customer of DIRECTV, I am writing to urge you to support the pending merger of EchoStar and HUGHES, the parent company of DIRECTV, only if HDTV is included when the merger is completed. I believe the merger will increase video and broadband choices for consumers like me.

The combined company will be a much stronger competitor to cable operators by being able to offer me local TV channels via satellite in my market area, which I currently do not receive.

I currently have broadband access to the Internet, but the combination of EchoStar and HUGHES will result in increased competition in the broadband market by providing an affordable high-speed Internet service nationwide via satellite.

I appreciate your consideration of my views.

HDTV is what we as consumers want! We deserve the best technology available.

Sincerely,

Len Ekkert
