NOTES:

- \* Unless otherwise indicated, all rates are pursuant to the Stipulated Agreement approved by the Montana Commission in Docket Number D2000.6.89 by Order Number
- # Denotes Voluntary rate reduction. These rates are not subject to true up and will be applied on a going forward basis.
- ## Additional reduction to voluntarily reduced rates.
- ### Rate voluntarily deaveraged to be consistent with the deaveraged loop rate. Deaveraging approach subject to review in the next phase of the cost docket. State wide average rate of \$4.89 was approved by the Commission.
  
- [1] Rates not addressed in the Stipulated Agreement. (TELRIC based where required.) Note- Termination at premise and the per route rates at 9.7.1.2 & 9.7.1.3 were inadvertently reversed in the previous filing. It has been corrected for this filing.
- [2] Market-based rates
- [3] ICB, Individual Case Basis pricing.
- [4] Rates per FCC Guidelines. In 1978, Congress enacted section 224 of the Communications Act which granted the FCC the authority to regulate the rates, terms, and conditions governing pole attachments.
- [5] Regional TELRIC based where required, not addressed in the Stipulation Agreement
- [6] A special request is a request by the customer to perform something that is technically feasible but the process and pricing are not yet in place.
- [7] Reserved for future use.
- [8] Rate has been ordered in a different section and is being used due to the similar characteristics of the element. This rate will be replaced when a rate is developed or ordered for this
- [9] Qwest has agreed to a bill and keep arrangement for EICT, pursuant to 271 workshops.
- [10] This rate replaces the ICB pricing originally contained in the Stipulation Agreement. This rate is TELRIC based. Interim.
- [11] This rate was listed as under development in the Stipulated Agreement and has now been determined to be ICB.
- [12] The preliminary engineering and planning costs are included in the caged and cageless space construction charges. These engineering and planning charges are also included in the caged and cageless quote preparation fees. Upon completion of the collocation construction, these quote preparation fees will be credited to the final space construction charge for the collocation job.
- [13] Qwest will utilize the Commission TELRIC ordered rates for this element. However, Qwest reserves its right to implement market based prices sometime in the future pursuant to CC Docket No. 96-98, paragraphs 278-287.
- [14] Qwest will not charge for this element until the Commission has an opportunity to review and approve a rate in a cost proceeding.
- [15] These elements were contained in the EEL section and have been reorganized into its own section for clarification of the product offering.
