

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Right now i don't get any reception of a local station even with my own personal antenna. Owning a satalite this is something you would expect. Why can't Maryland catch up to the times and be like most states when it comes to satilite reception? I'm not asking for much, being a tax payer and registered voter, I would like to watch on my tv the current events. Thank you.

Sincerely,

Pete Rose
