

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I live in a very rural area. The only lines of communication we have is the phone, antenna and Dish for watching TV. We, too, would like to enjoy high speed access on the internet just as you and everyone else in the big cities do. We're so far out that the parish we live in will not fix our roads. Let us, the forgotten people, enjoy all that we can.

Sincerely,

Peggy Boone
