

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am a current Dish Network subscriber, and I think it is terrible that you are allowing these to companies to combine to make one super company. The people of this great country need to have a choice in their satellite tv, and if these to companies combine, there will be no choice at all. It will be one big monopoly. Also, the work they have been doing to get ready for the new equipment just keeps messing up my service. I would really appreciate it if you would prevent this merger, I personally think it is a really bad idea. Thank you for your time.

Sincerely,
