

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Please do not allow this merger. When there is no longer any competition, rates will zoom. Where we live, there is no TV with out Directv or Dish. They charge us \$26 a month and all we want is the channels that we could get if we lived in or near a big city. We are retired on a fixed income. With competition gone, the price would rise to a level where we could no longer afford it.

Sincerely,

Chris and Norma Coddington
