Re: Application by Verizon for Authorization To Provide In-Region, InterLATA Services in State of Virginia, WC Docket No. 02-214 - REDACTED

Dear Ms. Dortch:

Verizon is filing this Erratum to correct the inadvertent omission of metric PR-4-01-5000 (Trunks - % on time provisioning) from its June C2C Performance Reports contained in its initial application filed on August 1, 2002, and its July C2C Performance Reports filed via Ex Parte on September 5, 2002. Attached are CLEC Aggregate and CLEC-Specific performance data associated with PR-4-01-5000. The attachments contain proprietary information and have been redacted. A confidential version is also being filed. Please let me know if you have any questions.

Sincerely,
