Re: McDonough Telephone Cooperative
CC Docket No. 92-105
Second Transition Report for the Implementation of the 911 Abbreviated
Dialing Code

Dear Ms. Dortch:

Pursuant to the Commission's Fifth Report and Order,¹ McDonough Telephone Cooperative ("McDonough") filed its First Transition Report for the Implementation of the 911 Abbreviated Dialing Code on March 11, 2002 covering all of the counties that it serves that were identified in Appendix D of the Fifth Report and Order. In its First Transition Report, McDonough certified that as of March 6, 2002, the company had completed the steps necessary to properly route 911 calls in the two counties covered by the report. Accordingly, the First Transition Report satisfied the requirement to file a Second Transition Report.²

Transmitted herewith on behalf of McDonough is a revised Second Transition Report in which the company identifies additional counties that were not identified on Appendix D of the Fifth Report and Order and reports that as of August 28, 2002, the company had completed the steps necessary to properly route 911 emergency calls in these additional counties.
