Dear Ms. Dortch:

On September 20, 2002, C.L. Hoewing and D. Young of Verizon met with Robert Pepper, Chief, Office of Plans and Policy. A variety of issues were discussed including elimination of the UNE-P, broadband access for CLECs under Verizon's PARTS tariff offering, broadband access for ISPs in a Title I environment, non-discriminatory access to content/applications under Title I, and IP Telephony. The views discussed were the same as those expressed in Verizon's comments filed in these proceedings.

Pursuant to Section 1.1206(a)(1) of the Commission's rules, an original and one copy of this letter are being submitted to the Office of the Secretary. Please associate this notification with the record in the proceedings indicated above. If you have any questions regarding this matter, please call me at (202) 515-2530.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Scott Randolph".
