PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 249A to Vici, Oklahoma, as that community's first local aural broadcast transmission service. Vici, Oklahoma is an incorporated community of over 680 people. Vici has its own mayor, Scott Melandy, its own post office, its own fire department, its own school district and a number of local churches. The proposed channel 249A will provide additional diversity and an outlet for local self-expression to Vici residents and therefore is in the public interest.

Should this petition be granted, and Channel 249A be allotted to Vici, Oklahoma, Petitioner will apply for Channel 249A, and after it is authorized, will promptly construct the new facility.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
