PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Clayton, Oklahoma is an incorporated community of over 636 people. Petitioner respectfully submits that the public interest would be served by allocating Channel 241A to Clayton, Oklahoma, as that community's first aural broadcast transmission service. Clayton has its own mayor, Arvil Jackson, its own volunteer fire department, its own post office, its own school district and a number of local churches. There is also the Clayton City Hall and the Clayton Chamber of Commerce.

Petitioner hereby states that if the commission grants this petition, she will apply for the channel when it is allotted, and, if her application is granted, she will promptly build the station.

WHEREFORE, for the foregoing reasons, Petitioner respectfully requests the commission to grant this petition and to allot channel 241A to Clayton, Oklahoma.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
