

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Please assist in the vote for the merger of Direct TV and the Dish network. The benefits are staggering. Any move that creates more competition with Cable TV providers is good in my book. In addition, the ease of high speed internet access will help millions of americans save time and expense in doing business over the internet

Sincerely,

Paul Polesnak
