

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Dear FCC

Thank you for blocking the merger. I am a DirectTV subscriber and am very dissatisfied with my service and am looking to switch to 'The dish'. If the merger goes though I will have no way to 'vote with my dollars' concerning what kind of service the American people want and deserve. I don't care if the satellite companies compete or don't compete with cable (but I know they do because, I can get cable and I don't therefore they are competing.), but they DO compete with each other! And I believe allowing them to merge will be bad for me, and bad for all subscribers. The best way to keep service and technology moving forward is via competition not less competition. Please continue to block the merger and thank you for your service to the people and subscribers of satellite TV.

Best Regards

Joel Aragon

I wonder if this message will ever get to you?

Sincerely,

Joel Aragon
