

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

The FCC is not being fair to rural america, who dosn't get tv channels that people in towns and cities are getting, years ago they had to to buy 8' to 12' dishes that was a eyesores, the small dish is great way for small town and rural people to get tv reception, I guess that quanity and not quality is more improtant to FCC.The people in the Washington beltway don't care what small town or rural people have to do to get their fair share of intertainment.

Sincerely,

Joe Maise
