

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I live in a RURAL area of Mississippi. I have only ONE cable provider who has continuously upped their pricing. AOL/Time Warner are NOT my friend. I have since looked into and bought a DishNetwork provider system. They offered the best package at the best price.

As I understand, you are concerned that DISH/DIRECT TV will become a monopoly. I laugh at your comments. To think your allowing AOL/Time Warner to go through with their purchase as NOT being a monopoly, you need to re-examine the definition!

I would love to be able to share the technology that both Dish and Direct TV could bring to my home. They are already in the homes of THOUSANDS. The ONE PRICE plan that is being offered is, in my opinion, a great offer.

I am in favor of the merger. I hope that you will hear my voice as one of your constituents and vote for the merger.

Thank you!

Sincerely,

Nicolle Comeau
