

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

As a voter and consumer I am writing to voice my support of the merger between direct tv and echoStar. I live in jacksonville, FL and our cabel provider is terrible. The city has even got invovled trying to get them to fix their ways. If the merger was to go through there would be stronger competition here and the problem would fix itself instead of wasting tax payers money. Equal competition usually brings about better service and lower prices.

Sincerely,
