(9) Community of Interest Statement

Jewell Ridge is a small rural exchange located in Buchanan and Tazewell Counties in southwest Virginia with approximately 600 access lines. The Jewell Ridge exchange is part of the Bluefield, West Virginia Independent Market Area. The Davenport exchange is located to the south and west of Jewell Ridge in Buchanan County and serves approximately 1,300 customers. Jewell Ridge is located in the Roanoke, Virginia LATA. ELCS will expand local calling in Buchanan County and enhance local telecommunications between schools, teachers, students and parents in the Buchanan County portion of the Jewell Ridge exchange and the Davenport exchange which serves a portion of Buchanan County. Both the Jewell Ridge and Davenport exchanges are small and rural. Interest is of a community and personal nature between friends, family, community groups, churches and small businesses. ELCS will enhance these interests.

Maps are attached for the Jewell Ridge, Big Prater and Davenport exchanges.

(11) Other Pertinent Information

Chronology

On February 22, 2001, Verizon South Inc.'s Jewell Ridge exchange subscribers petitioned the Virginia State Corporation Commission for Expanded Local Calling Service (ELCS) to Verizon Virginia Inc.'s Davenport exchange. The Commission directed Verizon South to determine the change in monthly rates to provide ELCS from Jewell Ridge to Davenport. Verizon South surveyed all of its Jewell Ridge subscribers regarding their willingness to pay the additional rates as outlined in (8) above. Sixty-five percent of the subscribers responding voted favorably.

Chronology (Continued)

The Commission then directed Verizon Virginia to determine rates for ELCS calling from Davenport to Jewell Ridge. The Davenport to Jewell Ridge cost study was accepted by the Commission. On June 25, 2002, the Commission issued an Order Prescribing Notice for the Davenport exchange. Public notice was provided to Davenport customers via newspaper display advertisement. The customer comment period was July 12, 2002 through August 23, 2002. No comments or requests for public hearing were received from Davenport customers.

Both surveys and their results met the requirements for implementation as outlined in Section 56-484.2 of the Virginia State Code.

On October 4, 2002, the Virginia State Corporation Commission issued a Final Order approving Expanded Local Calling Service between Jewell Ridge and Davenport.

Virginia State Code, Section 56-484.2

This section of the Virginia State Code allows customers to petition the State Corporation Commission for ELCS. A copy of this section is attached.

AT RICHMOND, OCTOBER 4, 2002

PETITION OF

VERIZON SOUTH INC.

CASE NO. PUC-2001-00220

For Extended Local Service  
from Verizon South Inc.'s  
Jewell Ridge Exchange to its  
Big Prater, Richlands, and  
Tazewell Exchanges and to Verizon  
Virginia Inc.'s Davenport, Honaker,  
and Lebanon Exchanges

2002  
OCT 14 PM 1:32

STATE CORPORATION COMMISSION

FINAL ORDER

On February 22, 2001, telephone customers in Verizon South Inc.'s ("Verizon South") Jewell Ridge Exchange petitioned the State Corporation Commission ("Commission") for extended local service ("ELS") to Verizon South's Big Prater, Richlands, and Tazewell Exchanges and Verizon Virginia Inc.'s ("Verizon Virginia") Davenport, Honaker, and Lebanon Exchanges.<sup>1</sup> On October 24, 2001, the Commission Staff accepted a cost study from Verizon South that was used to estimate the approximate change in monthly rates that would result from the extension of local calling.

---

<sup>1</sup> Although the Jewell Ridge Exchange Petitioners included Tazewell and Richlands in their petition, Jewell Ridge has existing ELS with the exchanges of Tazewell and Richlands. Those exchanges were not, therefore, included in the cost study, original ballot, or Order Prescribing Notice and will not, therefore, be addressed in this proceeding.

On February 1, 2002, pursuant to an Order dated November 30, 2001, Verizon South filed the results of the balloting of customers in the Jewell Ridge Exchange regarding their willingness to pay higher rates for the extended local calling referenced herein. Those results favored approval of the ELS.

Pursuant to the provisions of § 56-484.2 of the Code of Virginia, a poll of the customers in the Big Prater, Davenport, Honaker, and Lebanon Exchanges was not required because the proposed rate increase for one-party residential customers did not exceed five percent of the existing one-party monthly residential flat rate.

By Order dated June 25, 2002, the Commission directed Verizon South and Verizon Virginia to publish notice of the proposed extension of local service to their customers in the Big Prater, Davenport, Honaker, and Lebanon Exchanges and permit such customers to file comments and requests for hearing. Proofs of notice were filed on July 18, 2002, as required by the above-referenced Order. No comments or requests for hearing were filed.

On September 4, 2002, the Staff filed its report in the above-captioned matter. In that report, the Staff recommended that the Commission approve ELS between Verizon South's Jewell Ridge and Big Prater Exchanges as well as between its Jewell

Ridge Exchange and Verizon Virginia's Davenport, Honaker, and Lebanon Exchanges.

NOW THE COMMISSION, having considered the matter and applicable law, is of the opinion and finds that the above-captioned petition should be approved as recommended by the Staff.

Accordingly, IT IS ORDERED THAT:

(1) The proposed extension of local service from Verizon South's Jewell Ridge Exchange to its Big Prater Exchange and from the Jewell Ridge Exchange to Verizon Virginia's Davenport, Honaker, and Lebanon Exchanges shall be implemented.

(2) Verizon South and Verizon Virginia shall file the tariff revisions necessary for the proposed extensions of local service.

(3) Since there is nothing further to come before the Commission, this case is dismissed and removed from the Commission's docket of active cases.

AN ATTESTED COPY hereof shall be sent by the Clerk of the Commission to: Lydia R. Pulley, Vice President, General Counsel, and Secretary, Verizon Virginia Inc., 600 East Main Street, Suite 1100, Richmond, Virginia 23219-2441; John R. Young, HCR 66, Box 382, Jewell Ridge, Virginia 24662; Charlie H. Bond, Specialist - Regulatory, Verizon Virginia Inc., 600 East Main Street, Eleventh Floor, Richmond, Virginia 23219-2441;

C. Meade Browder, Jr., Senior Assistant Attorney General,  
Division of Consumer Counsel, Office of Attorney General,  
900 East Main Street, Second Floor, Richmond, Virginia 23219;  
and to the Commission's Office of General Counsel and Division  
of Communications.

**PETITION OF VERIZON SOUTH INC.,  
FOR EXTENDED SERVICE FROM VERIZON SOUTH INC.'S  
JEWELL RIDGE EXCHANGE TO ITS BIG PRATER, RICHLANDS,  
AND TAZEWELL EXCHANGES AND TO VERIZON VIRGINIA INC.'S  
DAVENPORT, HONAKER AND LEBANON EXCHANGES**

**CASE NO. PUC-2001-00220**

**BACKGROUND**

In response to a petition filed pursuant to § 56-484.2 of the Code of Virginia, Verizon South Inc. ("Verizon South") surveyed its Jewell Ridge customers for Extended Local Service ("ELS") into its Big Prater,<sup>1</sup> Richlands, and Tazewell exchanges and Verizon Virginia Inc. ("Verizon Virginia") Davenport, Honaker, and Lebanon exchanges. On February 1, 2002, Verizon filed the results of the balloting, which favored the extended calling plan. The ballot results were as follows:

Total Ballots Mailed	541
Customers Responding	156 (28.8%)
Number of Responses:	
Yes	102 (65.4%)
No	54 (34.6%)

The proposal for ELS met the polling requirements of § 56-484.2.

A poll of the customers in the Big Prater, Davenport, Honaker, and Lebanon exchanges was not required because the proposed rate increase for one-party residential customers did not exceed five percent of the existing one-party monthly residential flat rate.

---

<sup>1</sup> Although the Jewell Ridge Exchange petitioners included Tazewell and Richlands in their petition, Jewell Ridge has existing ELS with the exchanges of Tazewell and Richlands. Those exchanges were not, therefore, included in the cost study, original ballot, or Order Prescribing Notice.

The Commission issued an Order Prescribing Notice of the proposed ELS route on June 25, 2002. The Company was ordered to furnish notice as display advertising in newspapers of general circulation in the Verizon South exchange of Big Prater and the Verizon Virginia exchanges of Davenport, Honaker and Lebanon and to provide proof of notice on or before August 2, 2002. On July 18, 2002, Verizon filed proof of notice as required.

Affected telephone customers were given until August 23, 2002, to file comments or requests for a hearing on the proposal. No comments or requests for hearing were received.

#### **RECOMMENDATION**

The Staff recommends that the Commission approve ELS between the Jewell Ridge Exchange and the exchanges of Davenport, Honaker and Lebanon.

## ARTICLE 4.

## Extension and Reduction of Telephone Service

**§ 56-484.2. Extension or reduction upon poll of certain subscribers.**

— A. Upon petition of five percent but in no case less than twenty-five of the subscribers in an established telephone exchange for an extension or reduction of their local service area to include or exclude a contiguous local exchange or exchanges, or upon resolution of the governing body of a county for a countywide local service area, the Commission shall estimate the approximate change in the monthly rate for service which will result from such extension or reduction. In the case of a governing body resolution for countywide calling, the Commission, prior to estimating the approximate rate change, shall determine which exchanges within the county have a community of interest calling percentage that is fifty percent or greater in at least one direction to at least one other exchange within the county. The Commission shall then undertake to estimate the approximate change in the monthly rate for service that will result from such expanded local calling area for each such exchange. The Commission shall order the affected company or companies to poll those subscribers whose monthly rate for service would change if the proposed changes were adopted. However, polls shall not be required in the exchange or exchanges to which the petitioners desire an extension of local service if (i) any resulting rate increases in any twelve-month period do not, in the aggregate, exceed five percent of the existing monthly one-party residential flat rate service for the affected exchange to which the petitioners desire an extension of local service or (ii) any resulting rate increases in any twelve-month period, in the aggregate, exceed five percent solely due to rate regrouping. No more than one petition for a poll from the same group of subscribers or resolution from the governing body of a county shall be considered by the Commission during any three-year period. For purposes of determining the exchanges that will be polled pursuant to this subsection, "*community of interest calling percentage*" means the percentage of customers in an exchange that make one or more calls per month to another exchange within the county.

B. If a poll is required pursuant to subsection A and a majority of the subscribers are in favor of the proposed change, or if the Commission determines that a majority of subscribers voting are in favor of the proposed change, the Commission shall order the extension or reduction of their local service area. For the purposes of this section, the number of subscribers in an established telephone exchange shall be deemed to be the number of subscribers in an exchange as of January 1 of the calendar year when the petition is submitted to the Commission. Ballots polling subscribers on a proposed change in local service area shall be counted sixty days after being mailed and the results certified to the Commission.

C. If a poll is not required pursuant to subsection A, the Commission shall require notice to customers in exchanges in which polls are not required and shall convene a hearing on the proposed extension or reduction of the local calling area if the lesser of five percent or 150 of the customers within such exchanges request a hearing. The Commission may convene a hearing under this subsection on its own motion without regard to the number of customers who request a hearing.

D. Where the governing body of a county passes a resolution for a countywide local service area under subsection A and the poll for such service is defeated, the governing body shall reimburse the affected company or companies for the costs of the poll.

E. The Commission shall give the highest priority to petitions or resolutions presented under subsection A that involve exchanges in rural areas. (1976, c. 265; 1978, c. 232; 1985, c. 382; 1990, c. 339; 1993, c. 974; 1994, cc. 180, 347; 1995, c. 466.)

**The 1994 amendments.** — The 1994 amendment by c. 180, deleted the former next-to-last sentence in subsection A, which provided: "If subscriber polls are not required, the Commission shall proceed pursuant to the provisions of § 56-237.2"; and added subsection C.

1994 amendment by c. 347, in the first sentence of subsection B, deleted "that more than fifty percent of the subscribers have voted in the pool and" following "determines," and substituted "subscribers" for "those."

**The 1995 amendment,** in subsection A, inserted "or upon resolution of the governing body of a county for a countywide local service area" in the first sentence; added the present second and third sentences; inserted "or resolution from the governing body of a county" in the present sixth sentence, and added the seventh sentence; and added subsections D and E.
