

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

I heard that CNN would not air anything critical to the president, it was not their job. Of course, it is their job. Of course, it is. They are obligated to tell us the truth. That will not happen if there is no responsibility and no regulation. Democracy can not survive if all regulation is taken away. Only the biggest and richest will survive. Our country will become a society that is no longer free.
