Re: Application of Bellsouth for Authorization to Provide In-Region,
InterLATA Services in Florida and Tennessee
WC Docket No. 02-307

Dear Ms. Dortch,

On October 25, Alan Geolot, representing AT&T, had a telephone conversation with Monica Desai, Jeff Dygert, and Josh Swift of the Wireline Competition Bureau, to discuss Growth Tariff issues associated with BellSouth's Application. The positions expressed were consistent with those contained in AT&T's written comments previously filed in the above-referenced proceeding, as well as those in WC 02-150, BellSouth's Five State 271 Application.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in cursive script that reads "Jodi S. Sirotnak".
