

chinese control! They should both be "indicted" for FRAUD and LIES to SHAREHOLDERS and EMPLOYEES! They should not be allowed to continue to abuse our SYSTEM with corrupt attorneys working with the BLACKSTONE GROUP, making sure they stay in control of the bankrupt company. There are alternatives to their corrupt preconceived restructuring plans that could include employees, their pension plan investments and current shareholders. Please fight this SELLING OF GX TO THE CHINESE and their EXISTING COMMUNIST GOVERNMENT and get rid of Mr. Legere and Mr. Winnick at the top who are acting without moral conscience but instead they are acting with self-serving goals. Thank you, sincerely, and thank you again for continuing to investigate and for your continued efforts in this Corporate Telecom Fraud.
