

the FCC should not implement
any proposal that would lessen
Indiana's Telephone Privacy law
protections.

Indiana's Telephone Privacy law
has improved my time at home.
Indiana's law has been good for me
(e.g., "I used to receive 12 calls per
week, now I only receive none").

Thank you for your attention to this
message. Working together, we can
ensure the success of our Telephone
Privacy program for many years to come.

Sincerely, Eric & Anne Hale
