Re: In the Matter of Review of Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers and Implementation of the Local Competition Provisions in the Telecommunications Act of 1996, CC Docket Nos. 01-338; 96-98; 98-147

Dear Ms. Dortch:

On November 27, 2002, David Bogaty of WorldNet Telecommunications, Inc. ("WorldNet") and the undersigned had a telephonic conference call with Daniel Gonzalez, Senior Legal Advisor to Commissioner Martin, regarding the above-referenced proceeding. More specifically, we discussed the importance of UNE-P to WorldNet's ability to provide competitive telecommunications services in Puerto Rico, and to WorldNet's current migration to become a facilities-based carrier. WorldNet also emphasized that competition is nearly non-existent in Puerto Rico, and because of the unique characteristics of the island of Puerto Rico, the Commission should consider retaining UNE-P in Puerto Rico as a means of promoting facilities-based competition.

One electronic copy of this notice is being submitted for each of the referenced proceedings in accordance with the Commission's rules.

Respectfully submitted,

Lawrence R. Freedman
Counsel for WorldNet Telecommunications, Inc.
