

Assuming a business relation potentially exists with telemarketing is wrong. There is no business relationship between any telemarketer and me. It is wrong to say that I am a customer or potential customer of any telemarketer. I never give and never will give money to any telemarketer, even if they are selling something I desperately need at the moment. I will not give money to any charity that phones me. I will not vote for any candidate or political cause that phones me.
