

You've probably gotten thousands of letters urging you to go against the proposed Broadcast Flag for Digital Video, most of them well-reasoned and civil.

This is not going to be one of them.

Would you like to be told that you couldn't take your car on certain streets?  
Would you enjoy owning a refrigerator that would not keep certain foods fresh?

No, you wouldn't. So why do you think that people would want to use a Digital Television system that prevents them from enjoying programming to the fullest?

That's what the Broadcast Flag is trying to do: fuck the consumer.

Kill it. Thank you.
