

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Our media is now under the direct orders from this dictatorship, that took away our rights to vote. There is no longer freedom of speech or fair coverage of news. This is a disgrace to the United States of America and to the American People. Everyone should be outraged. Corporations now control all the media coverage and are bought and paid for by our tax dollars. Disgraceful and Shameful to all of you that allow the rules that protect and afford the public others viewpoints. I am ashamed of the whole disgraceful appointments that were made so that this country could be taken over by the people that only care about the power and money. The American people deserve better.
