

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

As a listener of alternative radio (Pacifica's WPFW FM Wash, DC) & (WOL AM Radio in DC) I appreciate diversity in radio & tv. I am against any mergers that will cut off access to alternative media. When everything is owned by the same companies, the public loses. I urge you to not loosen the rules that are designed to promote and protect diversity of media ownership.
