*Re: Application of Qwest Communications International Inc. to
Provide In-region InterLATA Services in the States of
Colorado, Idaho, Iowa, Montana, Nebraska, North Dakota,
Utah, Washington, and Wyoming, WC Docket No. 02-314*

Dear Ms. Dortch:

On December 18, 2002, representatives of Qwest Communications International Inc. ("Qwest") had a telephone conference with representatives of the Competition Policy Division of the Wireline Competition Bureau. The Division was represented by Michael Carowitz and Kim Cook. Qwest was represented by Dan Poole, Todd Lundy, and Hance Haney, as well as Peter Rohrbach of Hogan & Hartson. Qwest addressed questions of the staff related to the matrix provided earlier today in response to allegations made in AT&T's December 11, 2002, ex parte letter regarding the filing with state authorities of contracts with CLECs containing ongoing obligations arising under Section 251(b) or (c). Qwest has attached here an updated version of the matrix that includes the information Qwest provided in response to the staff's questions.

The 20 page limitation does not apply to this ex parte statement, which was provided at the request of the Commission staff.

Sincerely,

A handwritten signature in black ink that reads "Hance Haney". The signature is written in a cursive, slightly slanted style.

Hance Haney
